

ADVERTISING FOR STAFF AT THE UBC ORTHODONTIC MODULE

Approximately 50 to 60 of the participants at the Module each year are not currently employed in orthodontic offices.

1. Write your ad with as much detail as you wish
2. By May 13, 2019, send your advertisement via email to UBC CDE at cdeconf@dentistry.ubc.ca. However, to ensure that your ad is still relevant, send the ad close to the deadline of May 13 to reduce the potential that a position advertised has already been filled
3. UBC Department of Continuing Dental Education will prepare a notice that will be distributed to all participants during the UBC Module 2019
4. We are often asked for a list of participants and their contact information so that offices can contact Module participants directly. Not only would this be inappropriate, it violates privacy considerations.
